INTRODUCTION

Zedpoint Plus HR Consultancy LLP is engaged in Recruitment & Contract Staffing of Technical Manpower, both in India and Abroad. Our main office is located in Kolkata, India, whereas our affiliated offices are located in Delhi - India, Bahrain, Saudi Arabia and UAE. We offer our services in India, Middle-East as well as South-East Asian countries.

Zedpoint Plus is active across specific industry verticals and functions with domain experts to anchor verticals like Manufacturing / Engineering (EPC / Oil & Gas, Mines & Metals, Steel and Power) Infrastructure etc.

We supply manpower for Civil and Mechanical Construction, Maintenance, Shutdown of Refinery and Gas Plants, Offshore Platforms, Gathering Stations and Wellheads/ Gas Oil Separation Plant (GOSP)/ Petrochemical / Steel / Chemical Plants and Infrastructure.

A DEEP UNDERSTANDING

Zedpoint Plus HR Consultancy LLP was started in the year 2015 by Mr. Somesh Chowdhury, who is equipped with a rich experience of over 25 years working around the globe in major Oil & Gas, Fertiliser and Petrochemical industries.

He saw the demand of skilled workers very early on and wanted to change the job scenario by recognising talent and providing the best manpower to these industries. With that vision, he started his dream venture Zedpoint Plus and has been spearheading our Engineering & Technical wing ever since.

Our company mission is not only to provide quality jobs to workers abroad but to train the ambitious ones who wish to learn, develop themselves and pursue their career further in the industry, as per clients' needs.

Our Technical Training Academy & Trade Test Centre - Dakhata Technical Training Academy (DTTA) offers a well-planned range of national and international training facilities to those that have successfully completed the training and tests and places them for the right jobs as per their requirement.
